“Special Needs Planning”

Mapping out a plan for your family member with special needs is critical for their health and well-being. Learn about how Special Needs Trusts protect a disabled person’s eligibility for current or future public benefits, and how to protect adults suffering from a cognitive disability from legal battles over their money, medical treatments and guardianship.

Kerry R. Peck, Esq., of Peck Ritchey, LLC, concentrates his practice in Trust and Estate Litigation, Estate Planning, Administration, Guardianship and Fiduciary Litigation, Special Needs and Alzheimer’s Disease Planning. Mr. Peck is past President of the 22,000-lawyer Chicago Bar Association. He was named chair of the State’s Attorney Anita Alvarez’s Elder Abuse Task Force and was retained by the City of Chicago Department of Aging to rewrite the State of Illinois Elder Abuse and Neglect Act. He co-wrote the book *Alzheimer’s and the Law*, published by the American Bar Association, and frequently teaches attorneys and healthcare professionals across the country.

This event is open to North Shore Senior Center members, volunteers, and staff as well as the general public. Admission and breakfast are complimentary. Space is limited. Parking is available behind the bank, off Green Bay Road. Sponsored by North Shore Senior Center.
